Document No. 4063
PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA
CHAPTER 103
Statutory Authority: 1976 Code Section 58-3-140

103-181. Workers' Compensation Insurance.
103-220(d). Use of Leased Vehicles.

Synopsis: The Public Service Commission of South Carolina (Commission) proposes to amend two of its regulations. First, the Commission has promulgated a regulation that deletes Regulation 103-181. This regulation is unnecessary as Title 42 governs South Carolina workers' compensation laws. Next, the Commission has made proposed amendments to Regulation 103-220(d). The proposed changes to Regulation 103-220(d) clarify that the lessee of a leased vehicle has the exclusive possession, control, and use of leased vehicles and that the lessee is responsible for procuring insurance for the vehicle for the duration of the contract, lease, or other arrangement. Additionally, the proposed changes provide that the contract, lease, or other approved arrangement shall specify that the lessee has exclusive possession, control and use of the power unit and that the lessee must procure insurance for the leased vehicle for the duration of said agreement. The Notice of Drafting was published in the State Register on December 26, 2008.

Instructions: Print the regulations in accordance with directions given to reflect deleted regulation and new amended regulation.

103-181. Delete this regulation.
103-220(d). Print the section of the regulation as outlined below.
